## **DECISION**

On January 18, 2006, the Commission issued a Show Cause Order directing Misamis Oriental II Electric Cooperative, Inc. (MORESCO II) to explain why no administrative penalty and/or criminal action should be imposed upon it, its directors and officers for incorporating/lumping the "PhP/Customer/Month" Charge under the Approved Rate Reduction due to Loan Condonation Order in the Supply Charge.

On March 15, 2010, MORESCO II submitted its "Explanation" stating that:  
a) it indeed incorporated/lumped the PhP/customer/month in the Supply Charge;  
and b) it subsequently reflected the same as a separate item in the bill consistent with the directive of the Commission, in its April 2006 billing. Available records with the Commission confirm this.

Finding this as substantial compliance with the Commission's directive, albeit done belatedly, in the interest of justice the Commission deems it proper, at this time, to simply issue a reprimand to MORESCO II for its failure to comply with the Commission's directive on time.

**WHEREFORE**, the foregoing premises considered, respondent Misamis Oriental II Electric Service Cooperative, Inc. (MORESCO II) is hereby **REPRIMANDED** for the delay and **WARNED** that a similar offense in the future shall be dealt with more severely.

**SO ORDERED.**

Pasig City, June 10, 2010.
