**DECISION**

On May 2, 2007, the Commission issued a Show Cause Order (SCO) directing Isabela I Electric Cooperative, Inc. (ISELCO I), among other Distribution Utilities (DUs), to explain why no administrative penalty should be imposed upon it, and/or criminal action instituted against its directors and officers in view of its failure to implement the refund on Purchased Power Adjustment (PPA) on time.

On October 26, 2007, ISELCO I submitted its "Justification/Explanation", stating that it deferred the implementation of PPA Refund pending resolution of its Motion for Reconsideration. ISELCO I eventually implemented the directed refund in its March 2010 billing. Available records with the Commission confirm this.

A handwritten signature in black ink, appearing to be "R. Sison".

Finding its implementation as substantial compliance with the Commission's directive, albeit done belatedly, in the interest of justice, the Commission deems it proper, at this time, to simply issue a reprimand to ISELCO I for its failure to comply with the Commission's directive on time.

**WHEREFORE**, the foregoing premises considered, respondent Isabela I Electric Cooperative, Inc. (ISELCO I) is hereby **REPRIMANDED** for its late implementation of PPA Refund and **WARNED** that a similar offense in the future shall be dealt with more severely.

**SO ORDERED.**

Pasig City, June 23, 2010.
