O R D E R

Before this Commission for resolution is the application filed on March 18, 2003 by applicant Camiguin Electric Cooperative, Inc. (CAMELCO) for approval of a reduction in rates in compliance with Section 60 of Republic Act No. 9136 and Executive Order No. 119, with prayer for provisional authority.

In the said application, CAMELCO prayed that the rate reduction equivalent to ₱0.1298/kWh be provisionally and immediately approved ex-parte; that it be authorized to adopt and implement it effective upon provisional approval; and that after notice and hearing, the rate reduction be approved permanently.

In support of its application and prayer for provisional authority, CAMELCO submitted the following documents in compliance with the requirements indicated in

the Guidelines for the Implementation of the Reduction in Rate of the Electric Cooperatives Due to the Condonation of Debts, as amended, to wit:

1. Certification from the National Electrification Administration (NEA) indicating the amount of ₱156,484,428.38 as CAMELCO's outstanding loan to NEA as of June 26, 2001 and that said amount has been a) recommended for assumption by the Power Sector Assets and Liabilities Management (PSALM); and b) has been used for Rural Electrification Program;
2. An Omnibus Certification from the Commission on Audit (COA) certifying that its office has verified the loan balances as of June 26, 2001 of one hundred eighteen (118) electric cooperatives, including that of CAMELCO, and found the same to be true and correct;
3. Sworn Statement/Affirmation executed by CAMELCO's General Manager, Mr. Adrian A. Ebcas , that the amount of ₱156,484,428.38 is due and outstanding;
4. Certification from the National Power Corporation (NPC) attesting that it is current in the payment of its obligations;
5. Detailed information or report on outstanding loans applied for condonation as follows:
 - a. Amortization payments on the Rural Electrification Loans; and

- b. Monthly kilowatthour sales covering the period July 1, 2001 to June 30, 2002.

CAMELCO submitted other supporting data/documents in accordance with the aforesaid Guidelines, such as: a) the certifications of receipt of copies of the notice of application by the Local Government Units' (LGUs) Legislative Bodies of the Municipalities within CAMELCO's area of coverage; and b) the affidavit of publication executed by Mr. Ernesto G. Chu, Publisher/President of Mindanao Gold Star Daily, attesting to the publication of the Notice of Application.

I. SUMMARY OF CAMELCO's APPLICATION

CAMELCO's proposed rate reduction was computed as follows¹:

Annual Amortization of Assumed Loans	₱ 93,115.00
Divide by Average kWh Sales (for the twelve months Ending June 2002)	<u>717,371 kWh</u>
Rate Reduction	₱ 0.1298/kWh

II. COMMISSION DISCUSSIONS AND CONCLUSIONS

II.A.1 Loan Profile

Mr. Adrian A. Ebcas, CAMELCO's General Manager, issued a Sworn Statement/Affirmation confirming that CAMELCO's total loans to be condoned is in the amount of ₱156,484,428.38.

The NEA Loan Profile submitted by CAMELCO provides the information on

¹ Based on Annex "B" – Rate Calculation submitted by CAMELCO

the amortization payments on its Rural Electrification Loans as of June 26, 2001.

II.A.2. Monthly kilo-Watthour (kWh) sales covering the period July 1, 2001 to June 30, 2002.

The table below shows the summary of energy sales of CAMELCO for the twelve months ending June 30, 2002:

Customer Class	Total Sales (kWh)²
Residential	5,477,036
Commercial	1,875,829
Public Building	742,346
Street Lights	513,244
Total	8,608,455

The data on energy sales were verified because this will serve as the billing determinant³ to be used in the calculation of the rate reduction. This was done by comparing the said data with that of the monthly kWh sales reported by CAMELCO in its regular submission of Monthly and Financial Statistical Reports (MFSRs). Said verification showed that the energy sales used by CAMELCO as the billing determinant, were correct vis-à-vis its submitted MFSRs.

II.B. Calculation of the Rate Reduction for Purposes of Granting Provisional Authority

The rate reduction was computed as follows:	
Annual Amortization based on the amortization cost incorporated In CAMELCO's last approved rate (₱ 93,110.00 x 12)	₱ 1,117,320.00
Divide by Total Annual Sales (for the twelve months Ending June 2002)	<u>8,608,455 kWh</u>
Rate Reduction	₱ 0.1298/kWh

² Based on Annex "A" Schedule B of CAMELCO's application.

³ Billing Determinants are the units divided into a class of costs to calculate a rate element.

Section 2, Rule 31 of the Implementing Rules and Regulations (IRR) of R. A. No. 9136 specifically provides that:

“This Rule shall cover all outstanding financial obligations by the ECs to NEA and other government agencies, incurred as of 26 June 2001 for the purpose of financing the Rural Electrification Program. x x x”
(underscoring supplied).

WHEREFORE, the foregoing premises considered, Camiguin Electric Cooperative, Inc. (CAMELCO) is hereby granted a provisional authority to reduce its rates by ₱0.1298/kWh effective on the next billing cycle after receipt of this Order. Should the rate reduction provisionally authorized herein is found to be insufficient after final evaluation, the amount corresponding to the deficiency shall be reimbursed by CAMELCO to its consumers by crediting the same in their electric bills covering future consumptions for a period of not more than six (6) months from the implementation of the Decision.

Relative thereto, CAMELCO is hereby directed to comply with the following conditions:

- c) Submit five (5) sample bills for each customer class for verification and confirmation purposes on or before the twentieth (20th) day of the month following the effectivity of the approved rate reduction and every month thereafter; and
- d) Continue its payment to NEA with respect to all outstanding obligations assumed by PSALM, if the amortization cost component of the EC's tariff is still collected from the end-users.

Finally, CAMELCO is directed to submit the following requirements on or before the scheduled initial hearing:

- a. Certification from PSALM provisionally acknowledging the amount of loans applied for condonation subject to the final results of an audit to be performed by an independent body commissioned for such purpose;

- x. Revenues generated from amortization portion of approved rates channelled to payments of purchased power cost, if applicable; and
- xi. Other documents that may be needed by the ERC in the course of the evaluation.

CAMELCO is further directed to furnish the legislative body of the Local Government Unit of the locality where it principally operates a copy of its accomplished application form.
