

Republic of the Philippines
ENERGY REGULATORY COMMISSION

Certificate of Authority

CA No. _____

Pursuant to Section 30 of Republic Act No. 9136 creating the Energy Regulatory Commission (ERC), the pertinent provisions of the Philippine Grid and Distribution Codes (PGDC), the Wholesale Electricity Spot Market and the Guidelines for the Issuance of a Certificate of Authority to WESM Metering Service Providers, the Energy Regulatory Commission hereby grants a Certificate of Authority unto

to act as WESM Metering Services Provider the Equipment and Facilities of which, have complied with all the requirements stipulated in the abovesaid Guidelines, the Philippine Grid and Distribution Code, WESM Rules and related laws, rules and regulations.

By virtue of this Certificate, the above named shall be entitled to all the rights subject to such obligations appertaining, consistent with the laws, rules and regulations pertinent thereto. The Energy Regulatory Commission may, at any time whenever it deems warranted and necessary, inspect on its own or through duly authorized representatives, the premises, books of accounts and records of any WESM Metering Service Providers and/or its Facility(ies) , in the exercise of its quasi-judicial power for purposes of determining compliance with the qualifications, obligations and standards set forth for WESM Metering Service Providers/Facilities, and/or violations of rules and regulations issued by ERC.

This Certificate of Authority is granted subject to the continuing compliance of the WESM Metering Service Provider with the aforementioned Guidelines. The operation of a facility found to be in violation of the abovesaid Guidelines and related laws, rules and regulations may be suspended by the Commission, in addition to such other sanctions which the Commission may impose under the Act.

Given this _____ day of _____, 20_____, Ortigas Center, Pasig City, Philippines.
