

PROCEDURES FOR PUBLIC CONSULTATION:

- The Commission shall post the proposed Price Determination Methodology for the Philippine WESM, filed on 31 August 2005, on its website at www.erc.gov.ph.
- All comments and questions shall be sent in the following order of priority:
 1. E-mail at spotmarket@erc.gov.ph
 2. Mail addressed to Director Edgar F. Samonte, Attention: Atty. Debora Anastacia T. Layugan, Market Operations Service, Energy Regulatory Commission, 12/F, Pacific Center Bldg., San Miguel Avenue, Pasig City (in soft and hard copies).
- Any party who submits its valid comments or questions on or before 01 December 2005 shall be considered a Party of Record. All comments or questions shall correspondingly be published on the Commission website upon receipt. Said comments or questions will simultaneously be sent via electronic mail to the PEMC-Market Operator.
- All Parties of Record are requested to submit their valid comments or questions as early as possible in order for (1) the PEMC-Market Operator to have adequate time in providing its reply to all the submitted comments; and for (2) the Commission to have sufficient time to reply, if necessary, to said comments and to consolidate the same.
- Any written comments and questions provided shall be considered read and need not be reiterated during the Public Consultation except for clarificatory purposes.
- The Public Consultation is scheduled on 14 December 2005 at exactly 9:00 A.M until 4:00 P.M. (break will be from 12 NN to 1:30 PM). No irrelevant requests for adjournment or delay of the verbal consultation shall be entertained. All Parties of Record are presumed to have read and have examined the issues contained in the materials posted on the Commission website prior to the Public Consultation.

- During the Public Consultation, any Party of Record shall limit its participation in the verbal consultation to new issues raised which shall necessitate further comments. The Commission reserves its right to limit comments or questions previously raised and answered. Additional discussion of detailed points is however encouraged.
