

IMPORTANT NOTICE : EXCERPTS FROM THE MAGNA CARTA

Article 29. Obligation to Allow Inspection, Installation & Removal of Electricity Apparatus - Customers shall allow the employees and/or representatives of the distribution utility to enter their premises for the purpose of inspecting, installing, reading, testing, repairing, maintaining, removing, replacing, or otherwise disposing of its apparatus and property, and/or removing the distribution utility's entire property in the event of the termination of the electricity service contract; and for disconnection of service for non-payment of bills or violation of contract (VOC).

Provided, however, that only authorized employees and/or representatives of the distribution utility with proper identification cards shall be allowed to make any external adjustments of any meter or any internal or external adjustments of any other pieces of apparatus owned by the distribution utility.

Article 30. Obligation to Allow the Construction of Poles, Lines & Circuits. - Consumers shall allow the distribution utility, if necessary, to construct its poles, lines and circuits and to place its transformers, apparatus on their property or within th buildings of the consumer, at a point or points convenient for such purpose.

The customer shall allow the distribution utility to use a suitable space for the installation of necessary metering equipment in order that such equipment will be protected from damage by the elements, or through the negligence or deliberate acts of any person or persons.

Article 31. Obligation to Receive Monthly Bills. - Consumers must accept their electric bills, without prejudice to the exercise of their right to pay under protest pursuant to Article 26 of this Magna Carta in order to contest the same.

Article 32. Obligation to Pay Monthly Electric Bills. - Consumers must pay their blis not later than nine (9) days after receipt of the monthly bills.

PAKIUSAP

Ikinalulungkot ng pangasiwaan ang gawaing mamutol ng serbisyo sa kuryente sa mga hindi nagbabayad sa takdang panahon. Subali't ang lalong ikinalulungkot nito, ayon sa obserbasyon ng ating mga kawani sa "BILLING/COLLECTION SECTION AT SUB-OFFICES", mayroong mga miyembro na karaniwang nakikita ang pangalan sa listahan ng mga naaantala o nahuhuli sa pagbayad buwanbuwan at napuputulan. Ibig sabihin nito, mayroong mga miyembro na matatawag na delinkuente.

Sa mahaba-habang panahon, kapansinpansin na halos lahat ng nasasali sa listahan ng napuputulan ay siya ring madaias na makita ang pangalan sa listahan ng mga naputulan buwanbuwan. Kaya't nakikiusap ang pangasiwaan ng PANGASINAN ELECTRIC COOPERATIVE (PANELCO)sa mga kinaukulan na kung maaari ay makipagtulungan din sila sa pamamagitan ng pagbabayad sa takdang panahon.

Ang "COLLECTION EFFICIENCY" o kakayahan ng isang kooperatiba sa pangungulekta ay may malaking tulong tungo sa lalo pang pag-angat ng antas o "CATEGORY" ng ating kooperatiba.

Inaasahan ng Pangasiwaan ang inyong kooperasyon.

GM ROLANDO O. REINOSO
