MOTIONS FOR PROVISIONAL AUTHORITY AND CONFIDENTIAL TREATMENT OF INFORMATION

20. They move for the issuance of a provisional approval of the Supplement Agreement, pending trial on the merits thereof, upon the following reasons:
- a. **Mindanao Power Crisis.** The power shortage in Mindanao has remained a critical problem for SOCOTECO I which continues to suffer rotating brownouts in the grid. A bilateral agreement, such as the Supplement Agreement, will significantly aid SOCOTECO I in minimizing or even eliminating the rotating brownouts in its franchise area which has had a debilitating impact upon the local economy;

- b. **Insufficiency of NPC/PSALM Supply.** The reduction of the NPC/PSALM CSEE capacity from SOCOTECO I's portfolio renders imperative a bilateral supply contract to answer for the equivalent capacity, lest SOCOTECO I be compelled to resort to the unpredictable and expectedly higher prices in the IMEM or worse, be curtailed for insufficient contracted capacity; and
 - c. **Continuing Demand Growth.** As illustrated in its DDP, SOCOTECO I is expecting a growth in the total demand of its end-users so that, coupled with reduction of the NPC/PSALM capacity, there is a wide supply gap that urgently needs to be filled. Without the Supplement Agreement, SOCOTECO I will be incapable of satisfying the electricity requirements of its end-users who must be forced to suffer brownouts resulting from its curtailment;
- 21. Considering the foregoing, they request the Commission for the provisional approval of the ESA, as amended by the Supplement Agreement to enable SOCOTECO I to draw under the said agreement. This will avoid the power interruptions which have caused irreversible losses upon economic productivity within its franchise area. The Affidavit in support of the prayer for the issuance of Provisional Authority is attached to the joint application as Annex "U";
 - 22. Under Section 13 of the ESA, each Party undertook to keep in strict confidence and not to disclose to any third party any and all Confidential Information of the other Party;
 - 23. Under Rule 4 of the ERC Rules, the Commission may, upon request of a party and determination of the existence of conditions which would warrant such remedy, treat certain information submitted to it as confidential. Pursuant to its undertaking, SOCOTECO I and TMI move that Annexes "M", "N", "O", "P", and "Q" not be disclosed and be treated as confidential documents in accordance with Rule 4 of the ERC Rules and accordingly, not be disclosed to persons other than the officers and staff of the Commission, as necessary.

These documents contain certain non-public information, data and calculations involving business operations and financial trade secrets reflecting TMI's investment and business calculations;

24. They submitted one (1) copy of Annexes "M", "N", "O", "P" and "Q" in a sealed envelope, with the envelope and each page of the document stamped with the word "Confidential"; and
25. They pray that the Commission:
 - a. Issue an Order treating Annexes "M", "N", "O", "P" and "Q" and the information contained therein as confidential, directing their non-disclosure to persons other than the officers and staff of the Commission, pursuant to Rule 4 of the ERC Rules, and prescribing the guidelines for the protection thereof;
 - b. Pending trial on the merits, provisionally approve the ESA, as amended by the Supplement Agreement, effective February 5, 2015; and
 - c. After trial on the merits, approve with finality the ESA, as amended by the Supplement Agreement, including the rates, Security Deposit and Application Costs which shall be for the account of SOCOTECO I.

Finding the said joint application to be sufficient in form and in substance with the required fees having been paid, the same is hereby set for jurisdictional hearing, pre-trial conference, expository presentation and evidentiary hearing on **April 8, 2015 (Wednesday) at nine-thirty in the morning (9:30 A.M.) at SOCOTECO I's Principal Office, National Highway, Barangay Morales, Koronadal City, South Cotabato.**

SOCOTECO I and TMI are hereby directed to cause the publication of the attached Notice of Public Hearing, at their own expense, twice (2x) for two (2) successive weeks in two (2) newspapers of general circulation in the Philippines, with the date of the last publication to be made not later than ten (10) days before the date of the scheduled initial hearing. They are also directed to inform the consumers within SOCOTECO I's franchise area, by any other

means available and appropriate, of the filing of the instant joint application, its reasons therefor, and of the scheduled hearing thereon.

Let copies of the joint application, this Order and the attached Notice of Public Hearing be furnished the Office of the Solicitor General (OSG), the Commission on Audit (COA), and the Committees on Energy of both Houses of Congress. They are hereby requested, if they so desire, to send their duly authorized representatives at the scheduled hearing.

Likewise, let copies of this Order and the attached Notice of Public Hearing be furnished the Offices of the Governors of South Cotabato and Sultan Kudarat and the Mayors of the Municipalities within the franchise area of SOCOTECO I for appropriate posting thereof on their respective bulletin boards.

SOCOTECO I and TMI are hereby directed to furnish all those making requests therefor with copies of the joint application and its attachments, subject to reimbursement of reasonable photocopying costs.

On the date of the initial hearing, SOCOTECO I and TMI must submit to the Commission their written Compliance with the jurisdictional requirements attaching therewith, methodically arranged and duly marked, the evidences on the actual posting and publication of the Notice of Public Hearing consisting of certifications issued to that effect, signed by the aforementioned Governors, Mayors or their duly authorized representatives, bearing the seals of their offices, and the affidavits of the Editors or Business Managers of the newspapers where the said Notice of Public Hearing were published together with the complete issues of the said newspapers, and such other proofs of compliance with the requirements of the Commission.

SOCOTECO I, TMI and all other interested parties are directed to submit, at least five (5) days before the date of initial hearing and pre-trial conference, their respective Pre-trial Briefs containing, among others:

- (a) a summary of admitted facts and proposed stipulation of facts;
- (b) the issues to be tried or resolved;

- (c) the documents or exhibits to be presented, stating the purposes thereof and proposed markings therefor; and
- (d) the number and names of the witnesses, with their written testimonies in an individual affidavit form, to be attached to the Pre-trial Brief.

Failure of SOCOTECO I and TMI to submit the required Pre-Trial Brief and Judicial Affidavits of their witnesses within the prescribed period shall be a ground for cancellation of the scheduled hearing, and the resetting of which shall be six (6) months from said date of cancellation.

As part of the pre-trial conference, SOCOTECO I and TMI must also be prepared to make an expository presentation of their joint application, aided by whatever communication medium that they may deem appropriate for the purpose, in order to put in plain words and explain, for the benefit of the consumers and other concerned parties, what the joint application is all about and the reasons and justifications being cited in support thereof.
