

Republic of the Philippines
ENERGY REGULATORY COMMISSION
San Miguel Avenue, Pasig City

RESOLUTION NO. 03, Series of 2015

A RESOLUTION SETTING THE INSTALLED GENERATING CAPACITY PER GRID AND NATIONAL GRID AND THE MARKET SHARE LIMITATIONS PER GRID AND THE NATIONAL GRID FOR 2015

WHEREAS, pursuant to Section 45 (a) of Republic Act No. 9136, otherwise known as the Electric Power Industry Reform Act (EPIRA) and Section 4 (a), Rule 11 of its Implementing Rules and Regulations (IRR), the Energy Regulatory Commission (ERC) formulated and adopted the Guidelines for the Determination of Installed Generating Capacity in a Grid and the National Installed Generating Capacity and Enforcement of the Limits of Concentration of Ownership, Operation or Control of Installed Generating Capacity;

WHEREAS, the subject Guidelines took effect on February 22, 2006;

WHEREAS, under Section 3, Article II of the said Guidelines, ERC set the 2014 installed generating capacity per Grid and National Grid and the Market Share Limitations per Grid and the National Grid as per Resolution No. 03, Series of 2014 dated March 10, 2014, as follows:

Grid	Installed Generating Capacity (kW)	% Market Share Limitation as per RA 9136	Installed Generating Capacity Limit (kW)
Luzon	12,041,417.28	30%	3,612,425.18
Visayas	1,827,292.00	30%	548,187.60
Mindanao	1,963,639.00	30%	589,091.70
National	15,832,348.28	25%	3,958,087.07

WHEREAS, the foregoing installed generating capacity per Grid and National Grid and market share limitation determination shall be adjusted by the ERC on or before the 15th day of March of the succeeding years and/or as often as may be necessary;

WHEREAS, there is a need to publish the adjusted installed generating capacity per Grid and National Grid and market share limitations per Grid and National Grid set by the ERC for 2015;

WHEREAS, as part of its monitoring activities, the ERC finds that no generation company nor any other entity has violated the market share limitations per Grid and National Grid for the year 2015;

NOW, THEREFORE, pursuant to its mandate to promote free and fair competition in the generation and supply of electricity to achieve greater operational and economic efficiency and to ensure consumer protection and enhance the competitive operation of the markets for generation and supply of electricity, the ERC **RESOLVED**, as it hereby **RESOLVES** to set the 2015 installed generating capacity per Grid and National Grid and market share limitations per Grid and National Grid. The same shall remain and shall be strictly enforced and implemented until the next adjustment thereto which may be on or before the 15th day of March of 2016 and every year thereafter and/or as the need arises, as follows:

Grid	Installed Generating Capacity (kW)	% Market Share Limitation as per RA 9136	Installed Generating Capacity Limit (kW)
Luzon	13,057,758.00	30%	3,917,327.40
Visayas	2,363,690.70	30%	709,107.21
Mindanao	2,163,718.16	30%	649,115.44
National	17,585,166.86	25%	4,396,291.71

This Resolution and its Appendix "A", hereto attached and made as an integral part of this Resolution, shall take effect immediately following their publication in a newspaper of general circulation in the Philippines.

Let copies of this Resolution be furnished the University of the Philippines Law Center-Office of the National Administrative Register (UPLC-ONAR) and all parties concerned.

SO ORDERED.

Pasig City, March 09, 2015.
